

THE NATIONAL NUMERACY NETWORK

Date: November 9, 2020

To: Dr. Susan Gantor, Professor and Dean, College of Arts & Sciences.
Emory-Riddle Aeronautical University

From: Milo Schield, President National Numeracy Network

Copies: Luke Tunstall (NNN Vice President), Marc Isaacson (NNN Secretary/Treasurer), Eric Gaze (NNN Past President) and Victor Piercey, Director of General Education at Ferris State Univ.

Topic: NSF Proposal

Proposal: Collaborative Research: Researching institutional transformation in the context of interdisciplinary STEM partnerships to support student transfer of mathematical knowledge

If the proposal submitted by Dr. Susan Ganter entitled *Collaborative Research: Researching institutional transformation in the context of interdisciplinary STEM partnerships to support student transfer of mathematical knowledge* is selected for funding by NSF, the National Numeracy Network (NNN) intends to collaborate and/or commit resources as detailed in the Project Description or the Facilities, Equipment and Other Resources section of the proposal.
